Our book for the January meeting is The Scarlet Thread by Francine Rivers. It is a powerful story of two women, centuries apart, who are joined through a tattered journal as they contend with God, husbands and even themselves.

Sierra Madrid's life has just been turned upside down when she discovers the handcrafted quilt and journal of her ancestor Mary Kathryn McMurray, a young woman who was uprooted from her home only to endure harsh conditions on the Oregon Trail. Though the women are separated by time and circumstances, Sierra discovers that many of the issues they face are remarkably similar...and uncovering Mary Kathryn's story may help her with the next chapter of hers.
