Recently retired best friends find a historic hotel in Marietta, Ohio, learn it was once a stop for the Underground Railroad. They immediately began plans to renovate the old stone building and open it as a B&B and soup café. But someone doesn't want that to happen and baffling things keep occurring at the Inn. In their quest for answers the women stumble upon a journal by a former slave. What can this person's insights on faith, bits of humor and tireless wisdom from the 1800's teach the new owners of the Inn? For more info about the Book Club call Debbie Lazorik at 740-434-3796.
